Directors Report: Micah

Micah Braden, new to Napa high, fifth year teaching, started career by opening a school music program in Arizona. Recently relocated to Napa. "The kids have been very welcoming and I've had a great first couple of days."

Planning a trip for chamber possibly week of April 8th or 15th to the Anaheim Festival

Treasurer's Report:

Went over last year's budget

Sheet music- \$2500 available

Last year was the first year getting out of the red so we are starting this year with no debt

Fundraising is used to help students fund these trips that do not have the means

Discussed quotes for Disneyland trip

We will need accounting software online (quickbooks) or another stand alone software package

Moved & seconded to purchase quickbooks not to exceed \$800 annually

SCO (school connected organization) has guidelines that need to be adhered to, it's a 30-page document that will be made available so we can all be aware of the requirements

Our first fundraiser will be to sell ads in the program- we hoping for 12 to 15 ads

Season tickets available to purchase tickets in advance \$80-\$100

Regular tickets: \$15 or \$20

Afton does the ticketing, available online or at the door
