Directors Report:

Caleb Sinclair

Mont La Salle is an excellent venue, performance went well, acoustics are optimal, consider two performances per year.

Recap for Winter concert, it was viewed today in all classes. Consider allowing the students to be in the audience instead of backstage.

Caroling season: we have time to do more performances, chamber choir will be moved to 5th period next year will to allow for more gigs. We got great feedback & a lot of donations.

We need to get a permission slip mailbox for the classroom and a cash bag for collecting tips.

April 21st performance in Angwin is being paid for through prop 28 and bus is lined up.

The process of obtaining permission slips for each performance needs to be streamlined.

Students will lose points if they are late to rehearsal.

Info should go out on parents square

Afton tickets- we can have multiple phones/iPads to check people in

Treasurer's report:

Budget updates (see attached)

Vocal Music Workshop raises their own money and spends their own money.

Prior years (2023/24) were run on a deficit, we are currently running in the black.

Spring Competition Disneyland trip is cancelled. We need to know by Jan 15 if there will be an alternate trip to allow time to reserve transportation.

New Business:

A lot of schools don't have choir programs. How to do community outreach, middle school recruitment, and get more kids involved at a younger age for choir engagement.

Possible Quad karaoke during the school day.

Dine & Donate:

Student leaders for marketing and social media can help promote these events.
